3 Blind Mice

Here are some of the nursery rhymes we will be learning in Autumn 1.

Our books...

This half term we will be learning all about what makes us special. We will be looking at what makes us unique including events from their own family and cultural backgrounds. Our texts will enable us to explore what similarities and differences connect each of us. The children will also be encouraged to explore and talk about significant events in their own experiences.

Our skills...

By the end of the half term we will have...

- ♦ To meet new friends
- ♦ To learn and remember our colour groups
- ♦ To learn our friends names
- ♦ To share our resources with our friends.
- ♦ To explore our learning environment with all of our friends
- ♦ To use our environment respectfully

Our questions of the week...

Where will I visit?

What animals will we meet?

What houses and buildings will we see?

What changes will we see?

What celebrations or events will happen?

How are we different to one another?

Try this at home!

Can you take a photo or draw a picture of your family and share it with the class?

We can add these to our home corner too.
