

9th November 2020

Friday 13th November 2020

This year the theme for Children in Need is Together we can change young lives. As part of this there is a big focus on children's mental health and well-being. Each class will be completing different activities thought out the day and during next week thinking about our wellbeing and mental health and even doing the five to thrive challenge, including some Joe Wicks workouts! The week will cumulate in 'Feel Good Friday'. We are asking that on this day please send your child wearing something that they feel good in for the occasion. It could be their favourite party outfit, a sports kit or you might want get as creative!

Thank you for your continued support
