

Celebrating Friendship

16th-20th November 2020

Next week, we will be joining schools across the country in Friendship Week. The aims of Friendship Week are to help children understand:

- What friendship looks like and what makes a good friend
- What respect is and how we show respect to others
- That bullying is a behaviour choice
- That we can respectfully disagree with each other i.e. we don't have to be best friends or always agree, but we do have to respect each other
- That we all need to choose to respect each other both face to face and online
- Understand that we are all unique and different and will celebrate this by wearing odd socks on Friday 20th November
