HAPPY DIWALI

I hope all of our families, who celebrate Diwali, are enjoying their celebration. We have been celebrating in school and learning about the story of Rama and Sita and about the goddess, Lakshmi. We enjoyed creating Rangoli patterns and diva lamps too.

WEARING MASKS ONSITE

Thank you to all the parents who are helping keep us safe by wearing masks on site. Some parents have let us know that they are exempt from wearing one and we have recorded this information. From today, there will be disposable masks available for you to pick up if you need one and have not let us know you are exempt. I know that many parents are really grateful that we are all taking the safety of others so seriously and I appreciate your support.

PARENTS EVENING

Many of you have already had your parents evening appointments, with more scheduled for this week. It has been an absolute pleasure to speak with you about your children and their successes in learning. It is really important that you feel you have the opportunity to ask questions, seek clarification and share information so together we can ensure your child makes the most progress possible. Thank you for all of your positive comments about school—it makes us proud when we can see the work we do makes a difference to the whole family.

PARKING

As it gets colder and darker more people are choosing to drive to school. Please use the community centre car park. There is lots of space and it is much safer. Do not park on the pavement or on the yellow lines. I would hate someone to be hurt. It might take an extra 5 minutes but that is a small price to pay for the safety of our children.
