

Newsletter- Tuesday 1st December 2020

No amount of darkness
can hide a spark of *light*.

LET'S LOOK AFTER YOU

At Christmas time, we often receive generous gifts into school to thank us for the work we do and to pass on messages of Merry Christmas. Although we love this, we feel that this year should be different. We know that families are experiencing real times of challenge and instead of receiving gifts we would love it if you can take care of you first and then if you can donate some food, toiletries or small gifts to the local food bank. We will then deliver this to them on the final day of term.

MEAL VOUCHERS

I'm sure many of you have followed Marcus Rashford's campaign to support families during the school holidays. To keep you updated, we are in touch with Nottingham City Council about possible vouchers and will let you know more when we can. If your situation has changed and we can support you in any way with food parcels please let us know, we continue to deliver Fare Share weekly.

DARK DAYS BUT OUR LIGHT SHINES

Well, the weather is not doing too much to help lift our spirits in this very challenging time but we continue to shine brightly. I spent some time over the weekend and on Monday looking at the children's books and wow... they are lighting the path! They are so engaged in their connected curriculum and the progress they are making is incredible. I was really proud to see how well their work is being scaffolded by the team and how this is now leading to greater independence. The children show great pride in their work and the confidence they have when sharing their knowledge continues to impress me. Well done to the whole team— you truly ASPIRE!

*So proud
of you*

CHRISTMAS

We still have plans for our youngest children to take part in a Christmas play. I do love a nativity and seeing the shepherds, angels and wise men in their traditional costumes it brings a tear to my eye! This year, will be a little different and will include some Christmas cheer via video! If you have a child in Nursery, Reception, Year 1 or Year 2 please look out for us gaining permission for your child to take part in this experience. Also, if your children would like to bring in Christmas cards, please ensure they are in school before Friday 11th December so the elves can quarantine them and then deliver them safely before the end of term.

Newsletter— Tuesday 1st December 2020

This week's Headteacher's award winner is

Katie

Katie you should be very proud of your effort, concentration and quiet determination when tackling your learning. This is clear to see in every lesson but especially during your practice SATS last week, It is such a joy to see your hard work pay off and see your confidence soaring.

Well Done
