**British
RedCross**

We are showing *Everyone is Important* all around the world!

Monday 10th May 2021

Dear Parents/ Carers

We are delighted to be supporting the British Red Cross charity who are raising money for the Covid-19 crisis in India.

Right now, the situation in India is critical.

Hospitals are full, streets are lined with ambulance queues, and crematoriums are running out of space. People are losing their loved ones at a frightening rate, with numbers of Covid-19 cases expected to rise dramatically.

Over 46,000 Red Cross staff and volunteers across India are supporting Covid-19 response efforts - providing oxygen, ambulance services, first aid, and PPE. But there are so many people who need our vital help.

On **Monday 10th May**, we are asking children to wear red or colours of the Indian flag to show support for the people in India. We are asking for a small donation to help raise money for the British Red flag charity.

Thank you for your support,

Year 4

Miss Kelly & Mr Richardson
